## CCD 1724

**From:** Product Marketing  
**Date:** 28.01.2021  
**Title:** Launch of the new imageRUNNER ADVANCE DX C5800 series

### The NEW imageRUNNER ADVANCE DX C5800 series

Canon are pleased to announce the launch of the imageRUNNER ADVANCE DX C5800 series. The new iR-ADV DX C5800 series joins the existing DX models as a hero model. By offering smart and secure A3 colour multifunction devices enabling dynamic, digitised workflows for fast, high-quality, document production without compromising on security.

A new engine, inheriting the C3700 easy maintenance capability combining it with C5700 durability with a quieter operation and compact design with a lighter machine weight. The new models allows for simple installation and easy maintenance for parts replacements.

Our market-leading scanning technology ensures high-speed pinpoint accuracy at 270ipm and stain-resistant glass, while uniFLOW Online Express – which comes as standard – delivers cloud connectivity and basic print management. Continuous uniFLOW Online enhancements including Filing Assist, Scan to Cloud and new mobile app enhancements for more touchless solutions.

#### Key Specs

- Up to 70ppm print speed and 270ipm scan speed
- Stain-resistant glass (only available from Canon)
- Continuous uniFLOW Online enhancements - (Filing Assist, Scan to Cloud improvements)
- Simple installation and parts replacement for easy maintenance
- Quick start up time to use the machine
- Handling office typical media types (small size paper printing)
- Better TEC value
- Enhancement in Eco Stapling
